TRANSPORTATION RULES: All plants are forwarded by parcel post or express. All plants are prepaid, unless marked with an (*) these go by express, carrying charges collect.

SHIPPING SEASON: All Submerged and Floating plants can be shipped the year round. Bog and shallow water plants are shipped only when all signs of freezing weather are gone.

DEALERS COLLECTIONS: Usually most dealers haven't the space to stock large quantities of the different varieties, so to help the dealer along, we have what we call SPECIAL DEALER COLLECTION PRICE. Here is how it works: You pick what varieties and what quantity you want, mail same to us, and we will quote you a special price. Remember a variety will encourage your customers to buy. Something different will always sell. Why shouldn't you be sharing in these big profits?
